

A surreal underwater scene. In the foreground, a diver in a black wetsuit and mask swims towards the left. Several large, translucent blue jellyfish are suspended from the water's surface by thin white poles. The jellyfish have glowing yellow-green patterns on their bellies. In the background, a large school of small fish swims in the center. To the right, a larger fish, possibly a shark or a large ray, swims towards the right. The water is a deep blue, and the seabed is covered in green seagrass. The sky above the water is a mix of orange and blue, with a large, bright sun or moon in the center. White, starburst-like light patterns are visible on the water's surface.

*Visible, invisible,
A fluctuating charm,
An amber-colored amethyst
Inhabits it; your arm
Approaches, and
It opens and
It closes;
You have meant
To catch it,
And it shrivels;
You abandon
Your intent—
It opens, and it
Closes and you
Reach for it—
The blue
Surrounding it
Grows cloudy, and
It floats away
